Mersey Weaver Scout District is a registered
charity in England and Wales (Registered
Charity Number: 1145482).

Volunteering Your Technical Skills to Help Scouting

If you know anything about . . .

- Creating a website
- Google Apps or Office 365
- Writing software applications
- Amateur radio
- Electronics

We would love to hear
from you!

Thank you for your interest

We have teams of adults, who wish to volunteer on a flexible basis, called 'Active Support Units.' They allow people to fit their volunteering around their other commitments, to use their individual talents and to volunteer with friends.

Not everyone can contribute to a weekly commitment. Active Support Units allow people to make a valuable contribution to a movement that continues to develop and grow, providing activities and opportunities for many young people.

In the Mersey Weaver District, which covers Widnes, Runcorn, Frodsham, Helsby and the surrounding villages, we have a Technical Active Support Unit. It provides help and advice for the Scout Groups in our District on matters involving all kinds of technology.

Membership of the Unit is open to anyone over the age of 18. If you would like to use your technical skills for the good of your local community and young people, this is your opportunity. Please get in touch.

WHY SCOUTING?

The Scout Association is the UK's largest mixed youth movement. We offer activities, adventure and personal development opportunities to more than 400 000 young people and 100 000 adult volunteers.

We believe in helping young people grow in confidence and explore their potential as well as providing a range of adult volunteering opportunities.

"Flexible volunteering means I can fit Scouting around my family and other commitments. You can do it too!"

Bear Grylls, Chief Scout
